U.S. Application No.: 10/728,653
AMENDMENT A

Attorney Docket: 3968-099

AMENDMENTS TO THE SPECIFICATION

Please replace paragraph [0068] of the filed application, which is paragraph [0081] of the published version, with the following amended paragraph [0068]:

[0068] U.S. No. 2002 2001/0024678 A1 describes gelatin compositions for two-part capsules, where gellan gum can be used as a constituent of a setting system. The two-part capsules described in the examples are hard capsules with a dissolving power that would not be acceptable for the purposes of the present invention.
